Founded 2015

Alpha Phi Omega, or APO, was founded by Scouts for Scouts — transporting the Scouting commitment to service into college, where service projects are a great way to give back, make friends and strengthen résumés.

APO is a service fraternity (rather than social, academic or professional), meaning young people can be APO members while still joining other Greek-life organizations.

You'll find APO chapters all over the United States (and even in Canada and the Philippines). There's a chapter at the University of Alaska Anchorage, the University of Miami and pretty much everywhere in between. 270 chapters in the US!

The mission of Alpha Phi Omega's Eagle Scout alumni association as a National Eagle Scout Association (NESA) affiliate group, is to promote Alpha Phi Omega and its principles to the greater Eagle Scout community. In order to facilitate this, we ask all who are Eagle Scouts, those who will be Eagle Scouts and lastly those who help and support Eagle Scouts, to celebrate with us as we issue our first of its kind association flap.
